We are in the process of finalising our new website and hope to have this up and running in the coming weeks. In the meantime please continue to use our temporary site ([C&P TS Hub temporary website](#)).

Momentum continues to grow for the roll out of the new Early Career Framework and National Professional Qualifications and we hope that this newsletter will give you some guidance as to where we are at, the next steps for your schools and what the future may offer. We are delighted to be working with you.
