Dear All,

### Cambridgeshire and Peterborough Teaching School Hub Update

Welcome to the Cambridgeshire and Peterborough Teaching School Hub update. The Hub is for all schools in the Cambridgeshire and Peterborough area and includes all primary, secondary, special and AP schools. We are working with partners and the LA to deliver teacher development from EYFS to KS5.

I hope you are finding the information included in our updates helpful in your preparation for the next academic year. Please read through the information to ensure you are up to date with what the hub can offer and how we can support you in delivering the ECF and NPQ programmes in your schools.

#### **Early Career Framework (ECF):**

Numbers for the ECF Programme continue to increase throughout the region with over 115 Schools expressing an interest and informing us of the **270** Early Career Teachers (ECTs) they wish to enrol with us for the ECF programme, which is to be delivered in partnership with Education Development Trust (EDT). Once again may I express my huge thanks to the schools who have registered an interest with us. We will be contacting you shortly to ensure we have the names of all ECTs who should be included in the programme.
